Needs Your Support, says WORLD MISSION We need your help...it is a privilege to be part of this Space Show...The World Mission Every morning and night we pray for one another and ask for the Holy Spirit to empower us to speak His Message so clearly and correctly it can be heard globally. Many of you already know, but on November 8, 2002 we changed our prayer to "We need your help." God has been faithful to us, and now we are challenging those who claim to be His Missionaries, to help us fulfill our GREAT MISSION. God called us to reach the most people for Christ. We are asking you to send your prayers to inspire us to take another step to clarify and focus our Great Mission. We are a proud member of The Catholic Charismatic Renewal, and our leaders have asked the following blessing on each of you, our listeners: Catholic Charismatic Renewal Bless all your families all over the world, You who know the power of the working of the Holy Spirit, The power of the Mission of God your Bride, You who know that in His Love for all people He always comes to us, Deign, worthy Angels, to choose your Bride's Foil: We need all people, We need all truths, We need all gifts, No faithful human in any land can be left without them. Choose your bride; Choose your bride, By the power of God, And by the power of the Father and of the Son, Choose according to your needs the person who will become your bride, God bless you. We seek the Truth, not just the truth but the TRUTH. Truth in God's mind is the one thing we do know and the one thing we strive to do. I am very glad you have answered our call and call for the greatest act of love we know is love of God. We are continuing to get to know each other and our wonderful God, who has a lot to teach all of us. Our God is patient and long-suffering. He is the most joyful one. He gives us a spirit of love, joy, peace, patience, goodness, kindness, and self-control. How much more can we ask? Everything else is added on. How can you learn how far you can go and be established in Truth, and not lose heart in the process? Your Grace, it is a big step
